Dear Judge Brieant:

This firm represents plaintiff Theresa Morelli in this disability discrimination lawsuit against her employer, Wappingers Central School District. Discovery is scheduled to close on June 15 and a conference is scheduled for July 11. I am writing to request an extension of ninety days, to September 15, for discovery and an adjournment of the conference to a date thereafter. Defendant's counsel, Vincent D'Andrea, consents to this request.

Counsel for both parties have worked diligently to complete document discovery but have been unable to complete depositions due to their motion and trial schedules. Since we are now in the summer months, making scheduling more difficult due to vacations, we feel that a ninety day extension is realistic.

Thank you for your consideration in this matter.

Sincerely,

Helen G. Ullrich
